1 The Commr. of Police is authorised to incur expenditure under contingencies subject to the conditions that the -- allotment is not exceeded-vide para 1 of Resident's Proceedings No. 7157, dated the 19th August 1926. Resident's sanction does not therefore seem necessary to purchase 50 pairs of ammunition pouches the cost of which is proposed to be met from the contingent allotment.

As the purchase of ammunition pouches locally, amounts to a departure from the regular parctice of getting the supply from the Arsenal, permission to do so was sought for as suggested by the Chief Ordinance Officer, Kirkee Arsenal.

3 Instructions are solicited if I may make similar local purchase of clothing, such as great coats etc., if it does not exceed my allotment under Contingencies, whether they are procurable or not from the Indian Stores Department.

2 On the anology of Financial Adviser's note in para 7 of file D.Dis. 454/39 it does not seem that there is any -- objection to the purchase of a second hand revolver. The -- price asked for is Rs. 45/-. In this connection please see the statement showing the assessed valuation made by the -- Chief Ordnance Officer, Ferozpur Arsenal ,on the revolvers offered for sale to Government. Out of 13 revolvers, he has valued 10 at Rs.30/- each, 2 at Rs.32-8-0 each and one at Rs.40/-. It is for -- consideration whether any reduction can be made in the price of the revolver proposed to be purchased.

Sir,

Subject: Ammunition Pouches - Purchase of.

Reference: Your (confidential) Memorandum No.F/60-39/4 dated 28-12-1939.

I have the honour to state that the ammunition pouches received with the rifles from the Kirkee Arsenal are of the wrong kind. The belts in use will not slip through the back loop. The pouches that are required by my Reserve Police here are the kind with two straps which button over the belts - quite similar to the ones now in use by Madras Armed Reserve Police.

On a reference made to Kirkee Arsenal, they say that they are unable to supply this type of pouch.

I therefore request that you will be so good as to accord the Hon'ble the Resident's sanction for the purchase of 50 pairs of ammunition pouches @ -/7/- each from Messrs. P. Nagojee Row & Son, No.1. Abdul Karim Street, Triplicane - Madras, who are the supplying contractors of ammunition pouches to the Madras Police at the above rate. The cost will be met under A.7 - Contingencies - Arms and Ammunition - in the current year's budget.

SIR,

The Police Force is badly in need of revolvers for the use of the temporary establishment of Sergeants. We have actually 18 revolvers and pistols on charge, as against a total strength of 36 Inspectors, Sub-Inspectors and Sergeants, including temporary staff.

Mr. Knowles, Deputy Commissioner of Police, has a service pattern revolver which he is prepared to dispose of, having acquired an automatic pistol for his own use. He asks Rs.45/- for his revolver. I have seen the weapon and consider it serviceable. This is a very reasonable price as revolvers are hardly obtainable now, and it is clearly of little use indenting on Arsenal who will need all available weapons for Military use.

I recommend purchase of Mr.Knowles' revolver for Police use, and request sanction. Necessary additional funds will be applied for in due course. There are funds available at the moment, but cost of ammunition, Arms, and accoutrements indented for will much exceed the budget allotment.

In continuation of the above letter I have the honour to state that I propose to purchase 600 ammunition pouches as against my previous demand of 450/-. The balance of 150 will be kept as reserve stock for replacing unserviceable ones.

Messrs. Nagojee Rao & Sons of Madras, who are the suppliers to Madras Police have offered to supply at Re. 1/- per pouch, which rate is reasonable in view of the rise in prices of raw material. As the pouches are required urgently I request you kindly to sanction purchase of 600 pouches, the cost of which will, however, be met from the current year's allotment under "D.E.F.-A-7-Contingencies-Arms and other accoutrements" and the excess over the sanctioned grant will be asked for in the excess and savings statement in November.
